

# Workshop 2

- **Workshop 2    Group Whero**
- You have been working with a woman who has been a victim of domestic abuse. There are other problems as well including truancy and alcohol misuse. After meeting her partner and the three children, you are convinced that this whānau would benefit from a kawa to guide the ways in which whānau members relate to each other, respect each other, and act responsibly to each other.

- **Your task**
- **How would you go about establishing a kawa for this family?**
- Hui
- **And what would be the main features of the kawa?**
- 1. Safety
- 2. Strategies
- 3. Relationships
- 4. Communication
- 5. Leadership /external if necessary
